A Guide for Events

The number of canapes per person differs depending on your event needs.

Drinks Reception

For a three hour drinks reception, we would suggest five to six canape
types, with two of each canape type.
A total of ten to twelve canapes per person.

Pre Meal Canapes

For a pre meal canape reception, as an alternative to a starter, we would
suggest three canape types, with one to two of each canape type.
A total of three to five canapes per person.
